All Books are selected by 3/5 member Academic committee abiding by the process and guidelines laid for selection of books:

- Content of the book
- Facts and learning provided
- Chapter consolidations & exercise after the chapter should be interactive and inculcate learning and laying foundation for the next class.
- Value for money(affordable)
- Should hold good for next 2-3 academic sessions & if necessary only supplementary up gradation should follow not the whole book.
- Author of the book should be well qualified and equipped with the up gradation /changes in the education field.
- Vocabulary used and Print quality should be good with bold and large letters especially till middle class.

Exercise books /copies are required on need to use basis.

- a) There are no separate h.w/c.w copies required.
- b) No Test/Exam copy prescribed.
- c) Students are free to use any copy or last session left/blank copies in the present academic session.
- d) School encourages, promotes and facilitates sharing of old books among students.
